Gary has been a business operator in Carrington Street and Hutt Street for more than 10 years.

The **Adelaide Travellers Inn Backpackers Hostel** brings more than **6,000 international visitors** to the Precinct each year. Promoting Hutt Street's attractions and convenient facilities to travel agents overseas, Gary and his team ensure that backpackers have a 'good experience' on Hutt Street. They like the activities, variety and the friendly village feel.

On his new appointment Chair **Gary Locke** said, "Our new committee has a good mix of retail, hospitality and residents ensuring the Precinct is enjoyed by all.

Committee members are committed to ensuring members are heard equally and that the Precinct grows together as a favoured city destination.

The Association welcomes new coordinator **Yvonne Merendi** who brings a wealth of experience in Mainstreet management to HSPA.

Thanks to our past committee. Together we will continue on with their vision and build on past achievements. We are looking forward to more street events, expanding on **SALA, enhanced street appearance, new banners** and additional website features on www.huttprecinct.org.au thanks to **The Kiln Advertising**. New Coordinator Appointed

Yvonne Merendi (pictured in orange at the Clipsal After Race Street Party with HSPA committee members).

Yvonne has been getting out and about introducing herself, listening and informing members about activities for 2010 and the many benefits of becoming a member of HSPA.

Ms Merendi is local, passionate about Hutt Street and also very knowledgeable about Mainstreet culture. Yvonne has attended **Mainstreet Conferences in Fremantle WA, Auckland NZ and Geelong VIC**. If you don't see her on the street give Yvonne a call on mobile 0413 381728 and find out what's really happening!

Ms Merendi says, "Many people consider shopping on Hutt Street **experience shopping** because you interact with people and a community instead of frantically hunting for rock-bottom prices. Shopping on Hutt Street means finding merchandise that is infused with local heritage and can't be found anywhere else. It's about making a connection. It's also about keeping the entrepreneurial spirit alive and helping local businesses compete against Big Box retailers. Choosing to shop "Main Street" lets businesses know you appreciate them and want them to stick around.

Special Acknowledgement of Gang Greens and Adelaide City Council

Each Friday morning a small group of locals decked out in Built Environs safety vests and armed with brooms and rubbish bags sweep and clean the Hutt St footpaths and planter boxes.

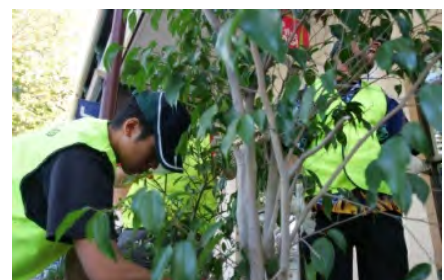

These locals are also people who use Hutt St Centre's services, all of them having been homeless at some stage in their lives. Some still are. But all are committed to keeping Hutt St clean and tidy.

They are known as the **Gang Greens**...and are an initiative of the Hutt St Centre in response to their client's seeking ways in which they can give some back in a positive way to their own local community.

The Hutt Street Precinct Association would like to thank the Hutt Street Centre and the Gang Green's for their hard work in keeping our Precinct beautiful, especially during the **Festival of Arts, Fringe, Clipsal After Race Party and Skyshow**. Well done guys!

Prior to the March festivities **Adelaide City Council** ensured Hutt Street was looking its festive best with new plants and planter boxes.

Businesses please look after your plants and planter boxes and don't forget it is **your responsibility to regularly water** them especially on hot, dry days.

SALA Festival is coming to a window near you!

SALA on Hutt Street is going to be bigger and better than ever before. July is not far away and we are looking for more venues to display art works and artists to be involved. It's a great way to get exposure for your business. Contact art coordinator **Janice Argent**. E mail janeversonice@hotmail.com Mobile 0415 226 613 and don't miss out.

New member profile

The Kiln Advertising has enjoyed the convenience of Hutt Street for 4 years. Located at no 193, the agency works with a number of high profile clients including Bridgestone and Australian icon Weber. "A kiln invokes thoughts of strength, power and solidarity and infers a solid work ethic in line with the attributes we've gained a reputation for" says Creative Director Darian Bryne pictured above with Cindy, Danny and Anton .
