A Christmas Message from our President

Christmas is upon us once again and the Hutt Street Precinct Committee is currently preparing for the Christmas season. We have many plans that we hope all local residents and business will be involved in.

The best decorated home and business competition is very exciting, so make sure you are registered as, you are not only in with a chance of winning cash prizes, you will be bringing the magic of Christmas to the area.

We also plan to bring festivity to the Precinct by modifying our tree decorating around Hutt street this year. **Father Xmas and his elves will be hosting the tree decorating on the 3rd of December** and we urge anyone interested in helping this fun fuelled Christmas event to **meet at the Adelaide Backpackers, 220 Hutt Street at 10:00am on Saturday the 3rd December.**

Our annual **Christmas celebration for Association members is on the 7th December** which is sure to be filled with festive fun.

We are also very pleased to announce that the **street choirs are scheduled for the 10th & 17th of December at 10:00am.** People of all ages can enjoy the spirit of Christmas carols so please make an effort and show support for our carollers.

Christmas will be with us before we know it so now is the time to get involved in order to make this Christmas the most festive yet.

On a final note I am proud to announce that at recent Adelaide City Council survey has rated the Hutt St precinct as the safest street in the CBD. I hope this continues throughout the Christmas period and into the New Year.

I wish you all a safe and happy Christmas.

Gary Locke
President and Chair of HSPA.

Exciting opportunities as the Australian International 3 Day Event comes to the South East Corner of our City.

This month Adelaide and the South East Corner has been host to this top **international horse event in Victoria Park.**

An estimated crowd of 25,000 over the three days watched the dressage in the main playing field, the cross country event extending into Rymill Park and, on the final day, show jumping in front of the renovated grand stand.

The event is media streamed into Europe, England and America live and exposes the unique, beautiful setting of the city sporting field to the world.

This event was acclaimed by International judges and visitors alike and could have the potential of **hosting the FEI World Equestrian Games in 2018.** Board Member, **Councillor Anthony Williamson,** was pleased to see this top class event go so smoothly considering it meant points for riders preparing for the 2012 Olympic Games.
